## FUND AGREEMENT

This AGREEMENT is made and entered into this \_\_\_\_\_ day of  
\_\_\_\_\_, 2001, between, \_\_\_\_\_ of \_\_\_\_\_ (city),  
\_\_\_\_\_ (state) (hereinafter called the *Donor*) and the \_\_\_\_\_  
(*your organization*), a nonprofit corporation in the  
state of \_\_\_\_\_ (hereinafter called the *Corporation*).

A. Acknowledgment and Name of Gift. The Corporation, in acknowledgment of the fact that the Donor intends to make gifts from time to time to the Corporation, whether inter vivos or testamentary, for the purposes described herein, agrees to hold, administer, and distribute the property received as a result of said gifts as provided herein. The gifts shall be designated on the books and records of the Corporation as the "\_\_\_\_\_

\_\_\_\_\_ Fund" (hereinafter called the *Fund*). The Donor or any other person may at any time make additional contributions to the Fund by gift, will, or otherwise.

B. Investment. The Corporation is authorized to continue investment of the Fund in the assets received as contributions to the Fund, or the Corporation may sell or exchange any of said assets and reinvest the proceeds in any manner it may deem fit.

C. Income from Fund. The principal of the Fund shall be held as an endowment and the net income therefrom shall be held and disposed of upon the terms and conditions prescribed herein.

1.

2.

3.

D. Alternate Application of Income. In the event \_\_\_\_\_  
\_\_\_\_\_  
(your organization) determines at some future  
time that it is no longer practical for the Fund to be used as  
specified herein, then the Corporation may devote the net income from  
the Fund to:

---

---

In any such alternate application of income, the funding source shall  
be clearly identified as the "\_\_\_\_\_ Fund."

E. Representatives and Successors Bound. This AGREEMENT shall be  
binding upon and inure to the benefit of the parties hereto, their  
heirs, executors, administrators, legal representatives, successors,  
and assigns.

IN WITNESS WHEREOF, the parties have caused this AGREEMENT to  
be executed the day and year hereinabove written.

**SUMMARY OF LIMITATIONS IMPOSED ON DEDUCTION OF CHARITABLE CONTRIBUTIONS BY INDIVIDUALS**

Type of Contribution	Contributions to 50%-Type Organizations (1)		Contributions to 20%-Type Organizations (1)	
	Amount Deductible	Percentage Limitation	Amount Deductible	Percentage Limitation
Cash	Cost Basis	50%	Cost Basis	30%
Property with inherent ordinary income, e.g., inventory certain depreciable property, agricultural products, certain property used in farming, oil or gas property, art work by their creator, "Section 306 stock", etc., and property with inherent short-term capital gain, e.g., stocks, bonds, or other capital assets held for not more than twelve months	Cost Basis	50%	Cost Basis	30%
Property with inherent long-term capital gain, e.g., stocks, bonds, or other capital assets held for more than twelve months	Fair Market Value	30%	Fair Market Value	20%
Marketable securities	Fair Market Value	30%	Fair Market Value	20%
Non-marketable securities, Real Estate and Tangible Personal Property	Fair Market Value	30%	Cost Basis	20%
If election is made to reduce amount of contribution	Cost Basis	50%	Election provisions not applicable for contributions to 20%-type organizations	
Tangible personal property, if use of property is unrelated to donee's exempt purpose or function	Cost Basis	50%	Cost Basis even if put to a related use	20%

(1) 5-year carryover is allowed in all cases

Note that where cost basis is the limit of the charitable deduction the rule calls for the use of fair market value where it is lower than cost basis

## TAX SUMMARY FOR VARIOUS DEFERRED GIFT TECHNIQUES

Lifetime Gifts Deduction for Charitable Remainder				Testamentary Gifts Deduction for Charitable Remainder			
Form of Gift	Income Tax and Gift Tax	Estate Tax	Treatment of Income Received by Individual Beneficiary	Testamentary Gifts Funded with Property	Capital Gains if Funded with Property	Estate Tax Liability	
Charitable Gift Annuity	Value based upon age of income beneficiary and % return	Based on current value of remainder Arises if donor is income beneficiary	Value based upon age of income beneficiary and % return	Portion is return of principal—balance taxes as ordinary income and partly capital gains if a bargain sale	Bargain sale element spread over life expectancy of income beneficiary	Based on actuarial value of any income interest in one other than donor (1)	
Pooled Income Fund	Value based on age of income and beneficiary and highest return of fund in 3 preceding years	Based on current value of remainder Arises if donor is income beneficiary	Value based on age of income and beneficiary and highest return of fund in 3 preceding years	Taxes as ordinary income	None unless bargain sales rules apply because property is subject to indebtedness	Based on actuarial value of any income interest in one other than donor (1)	
Charitable Remainder Annuity Trust	Value based upon age of income beneficiary or term of years and rate of return specified by donor	Based on current value of remainder Arises if donor is income beneficiary	Value based upon age of income beneficiary or term of years and rate of return specified by donor	In the following order and to the extent thereof taxed as: 1) Current ordinary income 2) Undistributed ordinary income from prior years 3) Current capital gain 4) Undistributed capital gain 5) Other income for current, then from prior years 6) Trust corpus—not taxable	None unless bargain sales rules apply because property is subject to indebtedness	Based on actuarial value of any income interest in one other than donor (1)	
Charitable Remainder Unitrust	Value based upon age of income beneficiary and rate of return specified by donor	Based on current value of remainder Arises if donor is income beneficiary	Value based upon age of income beneficiary and rate of return specified by donor	In the following order and to the extent thereof taxed as: 1) Current ordinary income 2) Undistributed ordinary income from prior years 3) Current capital gain 4) Undistributed capital gain 5) Other income for current, then from prior years 6) Trust corpus—not taxable	None unless bargain sales rules apply because property is subject to indebtedness	Based on actuarial value of any income interest in one other than donor (1)	

(1) may be avoided if donor retains power to revoke by will other donee's interest.
